Why Are **Loudoun County Republicans** Lining Up With **Democrats** To Support **Democrat David Poisson?**

Paid for by The Democratic Party of Virginia
Authorized by Democratic Candidate David Poisson
1108 E. Main Street, 2nd Floor

...Because Republican Dick Black Has Failed Loudoun.

Why Even **Republican Leaders** Are
Saying **NO** to Dick Black and
YES to Democrat **David Poisson**...

"Effectiveness is the very least we should expect of our legislators and Dick Black has been singularly ineffective. I'm a Republican, but I believe that David Poisson's moderate positions, his willingness to roll up his sleeves to find solutions and his strong pro-business approach make him an extremely attractive candidate. I support his election."

Michael Anzilott

Chairman, Virginia Business Council & President, Virginia Commerce Bancorp

"David knows how to find solutions by working with both sides of the aisle, while Dick Black's ineffectiveness has been a frustration to me and many other moderate Republicans."

James W. Hazel, Co-Chair, Leadership for Virginia PAC

"We believe strongly in the principles of the Virginia Republican Party. But Dick Black doesn't share those principles, and from what we've seen, he has few principles at all. Democrat Dave Poisson is a man of both principle and vision and has our vote."

Bernie & Jackie Halprin, Cascades, past members Loudoun Co. GOP Committee

"David Poisson is about getting things done -- and getting things moving on our roads. Dick Black is isolated from the Republican mainstream and has a do-nothing attitude."

David Guernsey, President, Guernsey Office Products

Loudoun Times-Mirror

Editorial, 10/25/05

"When a Republican political action committee makes a donation to Democrat David Poisson against incumbent Republican Del. Dick Black, we need no further convincing. And we trust you won't either."
